

Balloon Race Island Instructions

How to Start Playing

1. When opening the game, a Home Menu is showing. Simply enter your name by using the **keyboard** (latin alphabet, numbers and empty space only) and press **ENTER**! Names must be <12 letters and you can use **backspace** to erase.
2. You will be redirected to your parking lot. **Pick your balloon** (mouse click) and press **ENTER** to confirm
3. Now on the opponent parking lot, **pick their balloon** (mouse click) and press **ENTER** to confirm
4. Now confirm your choices and **press play** (mouse click) or press **ESCAPE** to return to the home menu

How to Play

1. Pick your start position and press **ENTER** to confirm. The game will start immediately
2. You must now finish 3 laps before your opponent does.
